PRESIDENT'S MESSAGE

Hello Eagles. Welcome back to a new school year! The PTO is already busy working an planning events for a wonderful school year. In fact, we were able to purchase \$1250 worth of hearing devices for Mrs. Deane's class this month! Isn't that wonderful? I would like to let everyone know that the first PTO meeting is on September 13, at 7pm. We would love to see all the familiar faces as well as all the new ones too! Did you know that addition to this newsletter you can find out what's happening on the LGES PTO website by visiting www.lgespto.com ? We are actually seeking someone who can maintain that website for the year. Please contact me if you are interested. I would also encourage you to log onto www.ptomanager.com and update the information for yourself and your child or children. I look forward to serving you for another year as PTO president. Please feel free to email me with questions or concerns. Hope to see you on September 13!

Amy Buchanan

aleja31@hotmail.com

Remember you can
receive a tax
deduction for your
monetary donation
to LGES PTO

We understand that as much as everyone would like to, there aren't always enough hours in a day to be able to volunteer time. Hey it's a busy world we live in, but you can still help!

BoxTops for Education

(www.boxtops4education.com)

If you have a minute check out the website and you can see all the products that participate in this program. It's as simple as checking the top of the box or the back of a can. Save your BoxTops. When you are finished collecting them, please cut them to their correct size and place in a sealed, plastic bag. Label the bag with your child's first & last name, their teacher's name, and grade. Turn them in to your child's teacher or place them in the bin in the front lobby of the school.

Giant (www.giantfood.com) **Bloom** (www.shopbloom.com)

You can earn money for our school while you shop for groceries! All you have to do is register your shopping card with the codes provided here. When you swipe that card at the end of your trip your helping your school! **Code for Giant-02420, Code for Bloom-00366.** You can register at the store or online!

Target (www.target.com) Target also has a rewards program with their Target credit card (The redcard). You can designate LGES (code #104337) to receive money from their bonus program every time you use your Target credit card for in-store purchases.

Campbell's Labels (www.labelsforeducation.com) I think you would be surprise how many products actually participate in this program. It's more than just Campbell's. Check out the website you see that Bic, Pepperidge Farm, and Pop Secret all are part of this program too! In fact, there are over 150 products that have this label, so keep collecting your labels for education and turn them into the bin in the LGES front lobby.

This year we will continue our efforts to encourage everyone to reduce, reuse and recycle. We are beginning cartridge recycling program! The program will include all cartridge types, cell phones, laptops and iPods. Boxes will be setup in the front lobby.

ATTENTION BUSINESS OWNERS!

We are seeking advertisers for our October – May Newsletters.

A business card size ad is \$100. You can also place an ad in our school directory for \$20 and to advertise on the PTO website that is also \$100.
